Strategic research and innovation partnership (SRIP) – Networks for the transition to circular economy

Dragica Marinič /
Chamber of Commerce and Industry of Štajerska
8 November 2019 | Ljubljana

Investment is co-financed by the Republic Slovenia and the EU under the European Regional Development Fund.

AFTER W McDONOUGH AND M BRAUNGART

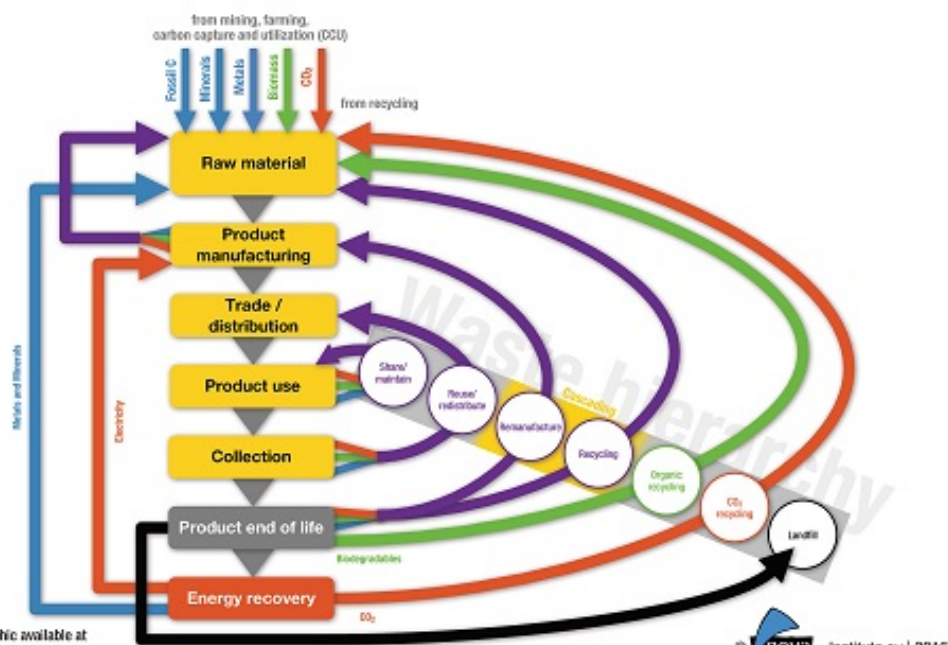

The circular model builds a capital on:

Economic / Natural / Social level (closing the loop).

Principles: design out of waste and of pollution, keep products and materials in use, regenerate natural / eco systems
