## Furniture removal

### What we do

When you have new IKEA furniture delivered, we can pick up the old goods in the same trip for an on-the-spot swop. We will then dispose of your used furniture in a way that lives up to the IKEA sustainability directives.

### Price

Our furniture removal service costs €25. Please contact your local [IKEA store](#) or [call us](#) for information.

### Book this service

You can book our furniture removal service when you book delivery at either the furniture sales desk or at the transport desk in the Customer Service department. Please contact your local [IKEA store](#) or [call us](#) for details.
